SUB IN OUR HARBOR

Editor, The Star-Free Press:

The officers and men of the U.S.S. Tunny wish to thank you for publishing the splendid story Miss Betty Wentworth wrote as a result of her visit on board. Her story is one of the most accurate we have read for presenting the true picture of life on board a present day submarine.

You may be sure that it is a pleasure to have this fine ship based at Port Hueneme and to renew our acquaintances in the county.

Looking forward to having you on board, I am

**J. B. OSBORN

Commanding Officer
